

Our Values & Principles

Developing and maintaining good relationships with our local community is at the core of Bluemoon's work ethic.

Approaching all business matters openly and honestly, Bluemoon will:

- provide innovative products and services giving good value and consistent quality, reliability and safety
- give consistently high levels of customer service
- not knowingly sell products or provide services which harm our customers
- treat all employees and sub contractors with equal respect and dignity and provide them with equality of opportunity to develop themselves and their careers
- undertake to pay our suppliers and contractors in accordance with agreed terms
- seek to compete fairly. We do not solicit or offer bribes or other improper advantages for business or financial gain
- conduct ourselves with integrity, treating colleagues, clients and suppliers with fairness and respect

We are committed to developing and maintaining good relationships with our local community, and to regularly supporting community activities.

When sourcing suppliers or business alliances, Bluemoon endeavors to forge those relationships with businesses and individuals that share these same ethics and business values.
